St Petersburg Fire Rescue-Prevention Division

Subject: Use of cooking or heating devices in multi-story residences

Reference: NFPA 1- 10.11.6.1

For other than one- and two-family dwellings, no hibachi, grill, or other similar devices used for cooking, heating, or any other purpose shall be used or kindled on any balcony, under any overhanging portion, or within 10 ft (3m) of any structure.

U. L. listed electric grills or similar electrical appliances shall be permitted.

The use or storage of any gas-fueled fire appliances in an enclosed balcony or beneath a combustible ceiling regardless of height is prohibited.

It is the responsibility of the occupant engaged in recreational cooking (using U.L. listed electric grills, or similar electrical appliances on balconies) to use sound judgment, taking into consideration wind speed and direction, exposure to combustibles, stability of the appliance and possibility of burns to the person or persons nearby.

AVAILABILITY OF A FIRE EXTINGUISHER IS ESSENTIAL.

Michael F. Domante, Fire Marshal
